

*IN THE UNITED STATES PATENT AND TRADEMARK OFFICE*

Applicant: Alison Hannah et al.  
Title: METHODS OF TREATING  
CANCER AND RELATED  
METHODS  
Appl. No.: 10/706,328  
Filing Date: 11/12/2003  
Examiner: James D. Anderson  
Art Unit: 1614  
Confirmation Number: 6441

**REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT FOR  
PATENT APPLICATION UNDER 37 C.F.R. §1.705(b)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants have calculated PTA for the captioned patent application and have determined that the patent is entitled to 1217 days of Patent Term Adjustment, as shown on the attached sheet, which shows the relevant delays under 37 CFR §§1.702, 1.703 and 1.704:

- |                            |           |
|----------------------------|-----------|
| (a) Total PTO delay:       | 1842 days |
| (b) Total Applicant delay: | 625 days  |

Final PTA Determination under 37 CFR §1.703(f): 1217 days

In accordance with 1.705(b)(2)(ii), the relevant dates as specified in §§1.703(a) through (e) for which an adjustment is sought and the adjustment as specified in § 1.703(f) to which the patent is entitled are clearly represented in the attached PTA Calculation.

The relevant dates where the applicant is not in agreement with the PTO's determination are discussed in more detail below.

The Section of the Notice of Allowance titled "Determination of Patent Term Adjustment under 35 U.S.C. §154(b)" makes the statement that:

"If the issue fee is paid on the date that is three months after the mailing date of this notice and the patent issues on the Tuesday before the date that is 28 weeks (six and a half months) after the mailing date of this notice, the Patent Term Adjustment will be 0 days".

This statement is incorrect because it does not take into account accrued patent term adjustment under 37 C.F.R. §1.703(b) due to having an overall pendency of greater than three years. Under 37 C.F.R. §1.703(b) the overall Patent Term Adjustment would be 1217 days, as shown in the attached calculation.

37 C.F.R. §1.705(d) states that "Any request for reconsideration under this section that raises issues that were raised, or could have been raised, in an application for patent term adjustment under paragraph (b) of this section shall be dismissed as untimely as to those issues." As the above-identified error was made at allowance, the applicant is filing this request for reconsideration under an abundance of caution, in the knowledge that the PTO does not include patent term adjustment resulting from 1.703(b) in its PTA calculations at allowance.

In accordance with §1.705(b)(2)(iv)(A), the circumstances during the prosecution of the application resulting in the patent that constitute a failure to engage in reasonable efforts to conclude processing or examination of such application as set forth in § 1.704 are clearly represented in the attached PTA Calculation.

Applicants therefore respectfully request that the patent be accorded 1217 days PTA.

Fees in the amount of \$200.00 set forth in 37 C.F.R. § 1.18(e) to cover the fee for this request are being paid by credit card via EFS-Web.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. § 1.705, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by the credit card payment instructions in EFS-Web being incorrect or absent, resulting in a rejected or incorrect credit card transaction, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741.

However, because this PTA error is due to a Patent Office error in interpreting and applying the PTA statute, a refund of the fee is respectfully requested.

Respectfully submitted,

Date September 10, 2010
